Information from the Committee for the Congress and the Public

During the month of December, the Committee on Energy and Commerce staff, at the direction of the Chairman and its members, worked on developing and providing the best tools to enable its members to safely convene and work together on the important issues under the Committee's jurisdiction. Among the Committee's earliest work products as the pandemic arrived in the U.S. was creation of several fact sheets providing vital information on COVID-19, along with publishing website links to important pandemic resources. To see the collection of pandemic information and resources prepared by the Committee, go to the following link:
